

## THE PENNSYLVANIA FAIR SEASON Our Heritage, Our Future

County and community fairs mean something different to everyone - for the exhibitors and youth who work hard all year to present their best livestock and tastiest cakes and cookies, for the countless volunteers who work tirelessly to offer a positive experience for their visitors, or for the fair-goers who simply look forward to taking in the unique sites, sounds, smells and tastes every summer.

Nearly six million people make Pennsylvania's 115 fairs a part of their lives each year, proving that we are all stitched together like the patches on a quilt.

Fairs hold true to the past traditions of rural life by maintaining an agricultural focus, while celebrating the progress and future of the industry. Fairs are the perfect reminder of each person's role - whether from a farm or from town - in keeping Pennsylvania growing.

### PENNSYLVANIA AGRITOURISM

Visiting or taking part in one of Pennsylvania's more than 100 county and community fairs is an exciting way to explore our state's rich agricultural heritage. Other ways include a visit to one of Pennsylvania's many farm markets, wineries or farm stay bed-and-breakfasts.
