OFFICE OF THE GOVERNOR

RANDY ALBRIGHT
SECRETARY
GOVERNOR'S OFFICE OF THE BUDGET

May 16, 2017

The Honorable Seth Grove
House of Representatives
Room 7, East Wing
Harrisburg, PA 17120

Dear Representative Grove,

Thank you for your letter dated April 26, 2017, requesting additional information on the Governor's Executive Budget. Our administration shares your sentiment that government should be transparent and accountable to the public it serves. In our response to your letter dated January 24, we provided detailed information and direction for you to find the answers to your questions.

Throughout our administration, we have provided you, as a member of the Appropriations Committee, with a wealth of information that answers, in detail, all of your questions. The Governor's Executive Budget, the Office of the Budget and GO-Time websites, and SAP, accessible through the staff of your Appropriations Committee, are all valuable sources of information members can utilize to make informed decisions on the finances of the commonwealth. In crafting the 2017-18 Governor's Executive Budget, this administration engaged in an unprecedented, broad review of all possible savings and efficiencies and posted this comprehensive information online for members and the public to view and consider.

We will continue to work with you, your chairman and the rest of the Appropriations Committee to provide for the timely enactment of a balanced budget for the 2017-18 fiscal year.

Sincerely,
